

Industrial Transformation Management

HOW WE WORK

Train **leaders** for tomorrow

- Our Executive Masters program is designed with professionals in mind : available all year round, on your time .
- Our five blocks of training consist of four x 30h modules = 120h per block. One module of 30h can be done during one calendar week .
- Block 5 is divided into 4 modules
- We recommend a module per month
- Trainings can be done in person in Nice or in your company
